SUBJECT: DISLOCATED AGRICULTURE INDUSTRY WORKER SOLICITATION
FOR PROPOSAL (SFP)

This is to alert you that the Job Training Partnership Division (JTPD) will be releasing an SFP for services to dislocated agriculture industry workers under the Job Training Partnership Act Title III Employment and Training Assistance for Dislocated Workers. The SFP will be based on information gathered and experience gained from the Agriculture Industry Initiatives pilot project. The pilot project gave JTPD the opportunity to obtain a comprehensive knowledge of the dislocated agriculture industry workers' needs and concerns. The SFP will allow for continuation of special projects that meet the needs of agriculture industry workers.

The SFP is scheduled to be released by late August 1998. All interested parties will be invited to submit proposals. Timing for commencement of this new strategy to serve agriculture industry workers will allow for orderly completion of current pilot projects.

If you have any questions, please contact your assigned program manager.
